Important Notes:

- There are no mid-semester breaks.
- All students must report on the reopening day of each semester and sign in the register kept in the office. Failure to do so, without prior sanction, will involve cancellation of stipend and tuition fee waiver for the entire semester.
- Registration deadlines will be strictly enforced. No extension will be permitted.
- M.Sc. thesis/project work formalities should be completed in time for the grades to be submitted to the office by **15 June**.
- Six monthly Doctoral Committee meetings should be held for all Ph.D. students during November-December and April-May-June.
